

Here is a professional profile summary of Nike's business including product warranty and shipping details:

Nike Business Profile

Nike, Inc. is a global leader in athletic footwear, apparel, and equipment, renowned for its innovative products and commitment to quality. Nike offers a broad range of products including running shoes, sportswear, accessories, and performance gear designed for athletes and consumers worldwide.

Product Warranty

Nike stands firmly behind the quality of its products with a **two-year warranty** covering manufacturing defects in materials and workmanship. This warranty applies for up to two years from the **date of manufacture** (not the purchase date), which can be found on the product label inside the shoe or item. Defects such as faulty stitching, sole separation, or material flaws are covered. However, normal wear and tear, misuse, or accidental damage are excluded from warranty coverage.

Customers who find a defect within this warranty period are entitled to a full refund or replacement of the product. To claim warranty service, customers must provide proof of purchase and the product's serial or manufacture number. Warranty claims can be initiated via Nike's customer service channels or in-store, depending on the purchase method. Nike may request photos or inspection of the item and will provide instructions for return shipping if applicable [13567](#).

Shipping Details

Nike offers shipping services that vary by region and purchase method. Shipping costs and delivery times are calculated at checkout and depend on the selected shipping option. Nike provides tracking information for shipped orders and recommends contacting the carrier directly if delivery issues arise. Express shipping options may be available for faster delivery. For warranty returns, Nike often supplies prepaid return labels to facilitate the process [47](#).

Warranty Claim Process Summary

- Check the product's manufacture date and warranty eligibility.
- Gather purchase proof and product details.
- Contact Nike customer service or visit a Nike store.
- Complete the warranty claim form if required.
- Follow return instructions and ship the product if needed.
- Receive replacement or refund upon claim approval.
